#### 95 Points

"Starting out, the 2015 Silencieux is a pretty, complex, balanced beauty that offers loads of mulberry, blackberry, spicy oak and forest floor aromas and flavors. It's upfront, front end-loaded, seamless, and already impossible to resist and is well worth checking out."

#### 91 Points

"Medium to deep garnet purple colored, the 2015 Cabernet Sauvignon Silencieux offers up baked blackberries and mulberries on the nose with stewed plums, sautéed herbs, damp soil and tree bark plus a waft of unsmoked cigars. Medium to full-bodied, it's rounded and soft in the mouth with plenty of juicy fruit and good persistence."
